POLICY DOCUMENT FOR THE PROMOTION OF GENDER EQUALITY

(Gender Sensitization Action Plan)

Women's empowerment and gender equality are the university's key concerns. The university strive to bring about a positive mindset shift and promote gender equality. To promote the gender equality, the university strives for the following gender sensitization plans:

- To encourage inclusivity, tolerance, harmony, and women's empowerment among learners and faculty.
- To increase female participation in various academic and non-academic activities.
- To promote health, nutrition, self-defence, and entrepreneurial activities among female students.
- To conduct awareness-raising initiatives such as blood donation camps, female health awareness, COVID-19 pandemic control, etc. for the benefit of the community.
- To conduct workshops for female students on cybercrime, safety and security, and career development.
- To conduct various activities promoting diversity and gender-sensitive communication for both learners and employees.
- To create mentoring programme for academics and learners to discuss gender-related concerns.
- To implement code of conduct for learners that encourages gender equality at the university.
- To implement monitoring and evaluation systems and their subsequent actions.
- To fulfil and ensure the reservation criteria for women in various academic activities, such as Ph.D. admission, B.Ed. and D.Ed. admission, and recruitments, wherever it required.
- To open new female specific LSCs to increase female enrolment.
